All prices + haulage and VAT

Terms

Production and Certification

- All timber is British FSC certified or sourced from sustainably managed woodland, processed in our timber yard and seasoned in our barns. Kiln dried logs are cured in a biomass fuelled kiln.

Delivery information

- All products are supplied on a pallet, securely attached with pallet tape and wrap.
- **Each product is one pallet space** (other than full loads of standard bulk bags). For example, 2 x 1.2m³ large bulk bags of seasoned hardwood logs are stacked on **one** pallet.
- Haulage is charged at cost, typically £44* per pallet, or, £450 – £600* for a full articulated lorry.
- *typical cost is for UK mainland, excluding the highlands.
- Orders of 10 pallets or more receive a 10% discount for haulage, so this would typically be £39.60 per pallet.
- **No order is processed until a delivery cost has been agreed.**

Order information

- **Minimum order is £500**
- Typical lead time is two weeks.
- We will contact you to confirm your order details and arrange a delivery date.
- **Personalised service.** Logwise is a family business, which means you will be communicating with one of three of us, therefore we will remember you and any specific requirements you have.
- Prices are subject to change.
