All prices + haulage and VAT

Terms

Production and Certification

- All logs and kindling are Woodsure Ready to Burn certified (excluding unseasoned logs)
- All timber is British FSC certified or sourced from sustainably managed woodland, processed in our timber yard and seasoned in our barns. Kiln dried logs are cured in a biomass fuelled kiln.

Delivery information

- **Free delivery** within 30 miles of our yard near Harrogate, North Yorkshire
- All products are supplied on a pallet, securely attached with pallet tape and wrap.
- **Pallets can be made of multiple products**, e.g. boxes and nets of logs, kindling and firelighters
- Haulage is charged at cost, typically £55-70 per pallet, or, £600 – £1100 for a full articulated lorry. Typical cost is for UK mainland, excluding the highlands.
- No order is processed until a delivery cost has been agreed.

Order information

- **Minimum order is £500**
 - Typical lead time is two weeks.
 - We will contact you to confirm your order details and arrange a delivery date.
 - **Personalised service.** Logwise is a family business, which means you will be communicating with one of three of us, therefore we will remember you and any specific requirements you have.
 - Prices are subject to change.
